### Key Achievements

Mr. Sang has more than twenty years' experience in working in the fields of state-owned enterprises, foreign-funded enterprises and private enterprises. He has rich experience in pharmaceutical and health, finance and investment. He is familiar with corporate operation and management, and has trans-disciplinary knowledge and professional background in providing services for enterprises. He also possesses the three-in-one professional quality of senior economist, tax accountant and lawyer. He is particularly good at comprehensive services for comprehensive consideration and planning of tax and finance, and advocates for the establishment of a financial and tax compliance system that integrates "industry, finance, tax and law".

Mr. Sang Zhijie has served government organs, institutions, state-owned enterprises,

private enterprises and other social organizations. He has rich experience in tax compliance and tax-related dispute resolution, has handled many difficult and complex cases, and has maintained a good performance in the above areas.
