Key Achievements

Lawyer Chen Xiaomu has been focusing on legal services in the capital market, light asset-backed bonds of real estate companies, and other fields since practicing law. With years of experience in higher judicial institutions and legal practice, he has provided clients with solutions for bankruptcy reorganization, domestic issuance and listing, investment and financing mergers and acquisitions, refinancing of listed companies, major asset restructuring, interbank market bonds of exchanges, construction of various special purpose trusts, and resolution of civil and commercial labor disputes.

He has provided professional legal services to Hong Kong listed real estate companies such as Far Eastern Group, Taihe Real Estate, Hesheng Chuangzhan, Zhongzhi Group, China Shipbuilding Industry Corporation, Zhonghong Corporation, and other private and state-owned enterprises.
